DEDICATION

Luther High, a product of countless prayers, built upon countless sacrifices, and a reality in God's ageless plan, is now a treasure in our hearts for eternity. In dedicating our annual to Luther High, we, the class of nineteen hundred and seventy-one, must try to acknowledge the work which went into building our school.

We take it upon ourselves first to thank our Savior, Jesus Christ. Next we must express our gratitude to all His servants within the congregations of the area who have supported the school from its conception. Finally, we must try to remember the lessons we have been taught and those whom the Lord has used to instruct us: this not only includes our teachers, but also each other, the workers at Luther, and the classes before us.

Luther not only has put Christ in higher education, but has also put Christ in our hearts.

The Class of 1971

Dear Lanny, Thanks for saving me a page; I was beginning to think I wasn't going to find one to write on. I guess I could write pages and pages about all the things we've done in our 4 short, but great years at Luther, but I'll try to keep it from being that long. Our friendships really started, in our Freshman year, when we found ourselves seated alphabetically, and there we were at the end, every time. Wonder why? It definitely has its advantages, especially in study hall. We've had 4 wonderful years and our senior year ~~was~~ has been great!! It was fun being in the same typing class, even if it was for only a short time. I think one of my favorite classes was religion. Remember that day I had to tell the whole class that joke we were laughing about. Oh well! You may not agree, but I thought economics class was fun, too. (Of course you didn't have certain advantages I did!) One of the best things our of senior year was the play. We went through a lot for it, but it was all worth it! Thanks for being ~~on~~ my side and sticking by me when we had that difference of opinion with some others. I wish I didn't expect to get the diploma award. I think the whole cast did. A great job that night (including my lovely daughter, Alice) and I wish everyone could have gotten the award. All the tries we took this year were fun, too. (I wonder how many times I've used "fun" ~~on~~ on this page!) Remember Mrs. Mitchell at New Elm, what a neat home! And at Watertown, staying at Welles. 13 kids in 1 house - wow! Somehow we managed. Before I run out of room, I must also congratulate you on all the awards you received at the banquet, especially the Musical Knights Award. You deserved it for all the work you've done. It's too bad the Minibade didn't work out. I know you and a few other guys really put a lot of work into it. I know you're going to be busy this summer, but that's no excuse why you can't write to me & even come up

for a ~~few~~ years now & I think I'm in a bit of a bind. I've spent a lot of time in the past year, as I start buying some stacks of stationery, I'll have to, absolutely, ~~possibly~~ get together (all 5 of us) on weekends & vacations. Since I sort of own my papers, I guess I'd better stop thanks so much for always being there to listen and talk to me.

May the Lord continue to bless you (a friend now and in the future)

THOSE WHO HAVE GUIDED AND EDIFIED

Last good-byes to the single life.

Rev. and Mrs. Wayne Schmidt celebrate
their first day of married life.

Pastor Kuske: All right, what's your excuse?

Pastor Kuske

Mr. Erbe: All I need now is my shotgun and my sleeping bag.

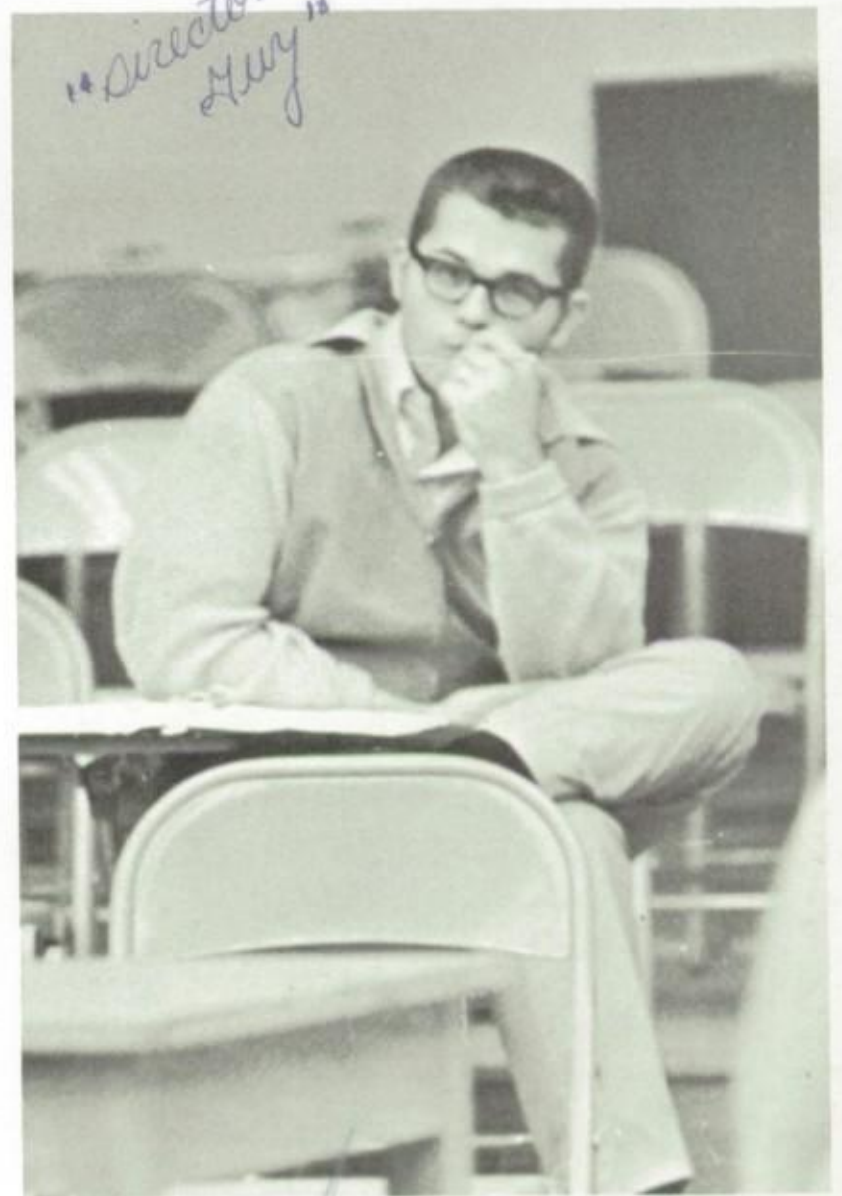

David Erbe

(Upper left) "This is a telescope, my dear," Mr. Sponholz says to his wife.

(Left) Mr. Scriver: We'd better
switch channels, Curt. The last
few calls we've received were police
calls!

Mr. Grams: I sure wish I hadn't dropped that aquarium.

All right, Mr. Manthe, I've been through this three times. Now pay attention!

Miss Wangerin says, "Honest, I didn't leave the key in there on purpose, but it's still your turn to crawl through the window."

Mr. Adickes, the sound foundation of the Sound Foundation, returns from the annual choral festival.

Mr. Pepperd says, "They'll never find it here."

Mr. Fadness and Mrs. Lenser: I'll trade you my Boardwalk for your B&O Railroad.

Mr. Italiano is surrounded by his band of fans.

Miss Buss' furry friends take over the office for the day.

Mr. Peterson indulges in Luther High's world of literature.

← our famous set
remember the 'problem'
we had hanging those
pictures?

The janitors, Hank Wunnecke, Curt Roellich, and Harold Gerke, relax during a coffee break.

Some of the members of the Board of Control are: Pastor W. Schmidt, Pastor W. Paustian (Chairman), O. Kile, B. Brendle, E. Hansen, D. Bluske, A. Levendoski, Pastor R. Berg, E. Kramer, and Pastor R. Sievert. The Board of Control, in monthly meetings, concerns itself with the school's finances, fills staff vacancies, and provides for equipment and facilities. The Ladies Auxiliary, made up of women of the area congregations, also deserves special mention for their service to Luther by giving of their time and effort at school activities, and by lending moral support.

Mrs. Berg and Mrs. Kardin do a great service to Luther by feeding the multitude of hungry kids.

Our bus drivers (Mr. Tetzlaff, Mr. Niedfeldt, and Mr. Gerke)
are responsible for the transportation of the students.

Homecoming

Royalty

Homecoming festivities again highlighted the fall season on the Luther High campus. A full week of preliminary activities centered about the theme, "Happiness Is Victory." On Thursday evening, a pep fest and bonfire prepared the student body for the climactic events of the following day.

Queen's Court 1970

Seniors: Karen Schlicht,
Jim Beitlich

Seniors: Marg Cox,
Fred Lautz

At an early afternoon banquet on Friday, Brenda Bluske was crowned homecoming queen, with Rich Pinski as king. Skits and other entertainment added to the gaiety of the banquet proceedings. In the evening the Knights rolled to a 42-22 football victory over the Seneca Indians. This provided the perfect mood for the homecoming party held in the gym after the game.

All in all, Student Council and Pep Club did an excellent job in making homecoming week one of the outstanding weeks of the school year.

SENIOR PLAY

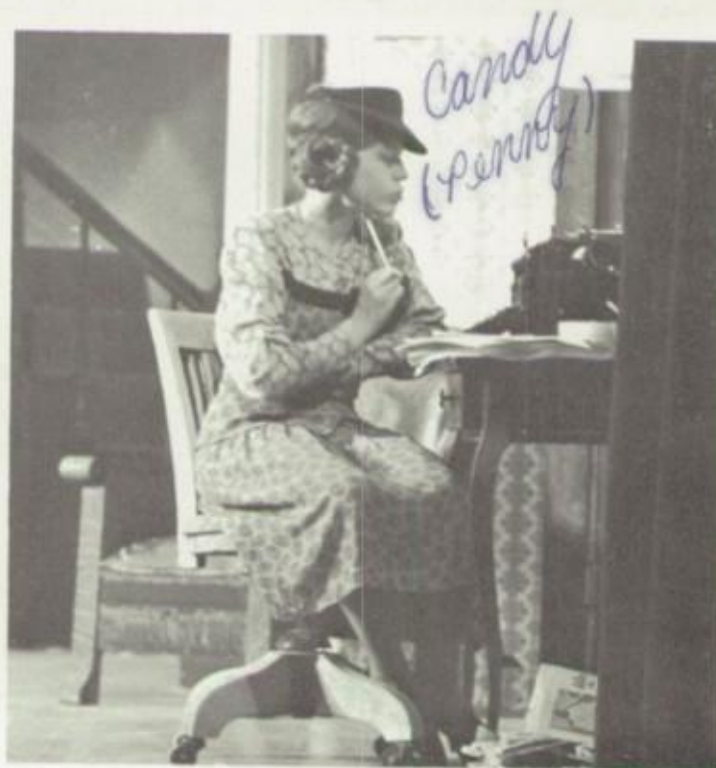

(a product of blood, sweat, tears + a lot of good times)

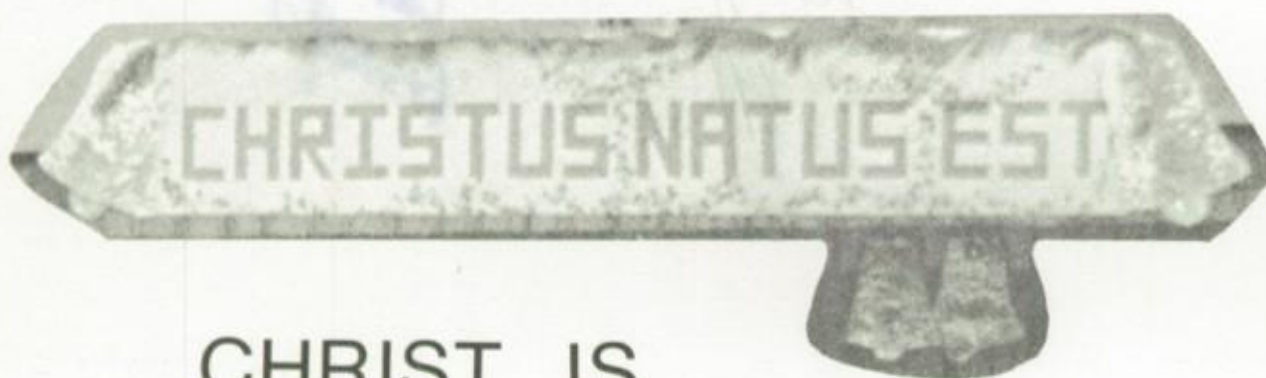

On November 22, 1970, the senior class presented Hart and Kaufman's You Can't Take It With You, a comedy centered around the Martin Vanderhoff home in Boston. The family, following the example of Grandpa, led a happy-go-lucky life, erasing the material cares of the people around them. The conflict in the play occurred when Tony, the son of the president of a prominent business firm in the town, fell in love with a member of this household. After one raucous episode, ending up with a night in jail, Grandpa impressed on Tony's parents the needless worry connected with Wall Street. The play ended with a rendition of "Goody-Goody," with the whole household convinced of Grandpa's unfailing philosophy.

The student body joined to present the 1970 Christmas Concert on December 13. Robed Choir opened the concert, followed by the Freshman Chorus. The concert was concluded by the Mass Choir's presentation of a series of selections taken from Handel's Messiah.

On the Friday night after school was recessed for vacation, students participated in a tobogganing party, followed by entertainment and food back at school. (Above) Rich Pinski portrays Mr. Erbe as a little boy on the lap of Santa Claus, played by Dick Bakken. Brenda Emery plays the part of Mrs. Schmidt, Ron Blado acts as Pastor Schmidt, and Curt Roellich gives his interpretation of Mr. Grams. Two of the newer organizations on campus that give students an opportunity to express themselves creatively are Art Club and Camera Club. Art Club members get together regularly to work on and to compare original paintings and drawings. Camera Club goes on photographic field trips, and its members get to take pictures through the school's 8" reflecting telescope, as well as through microscopes.

master of ceremonies.

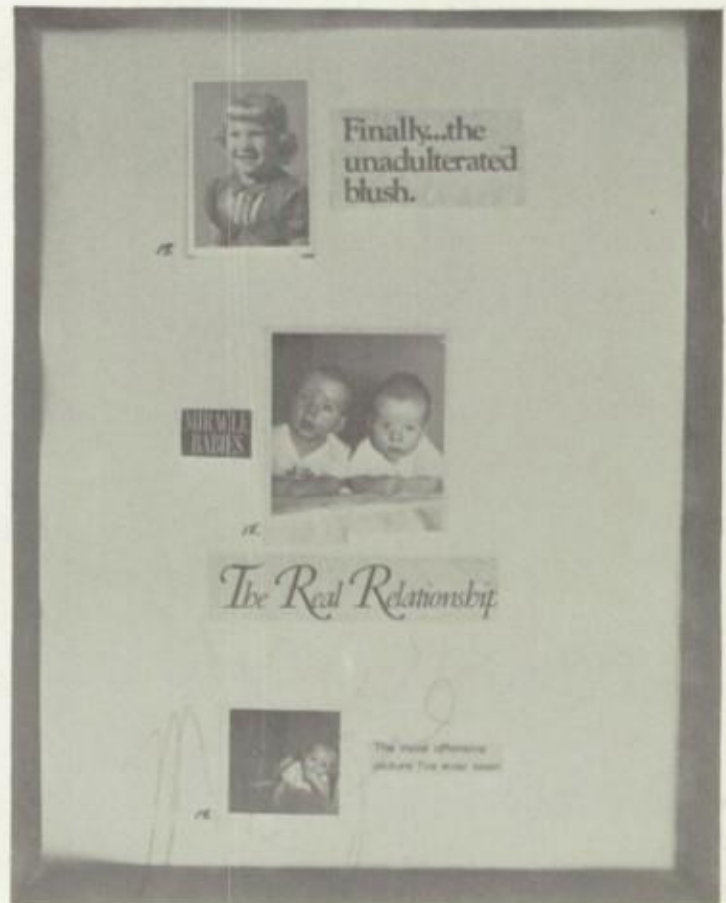

Rev. Dr. Wayne Schmidt and the
senior class salutatorian and
valedictorian, Caryn Wehrs, and
Charles Papenfuss, respectively.

Mr. Erbe and the two recipients
of the athletic awards. Harry
Blair received the "Athlete of
the Year" Award, Allen Austin,
the "Mens Sana in Corpore Sano"
Award.

Junior-Senior Banquet

The evening's festivities began with hors d'oeuvres and punch, served in the basement of Grace Evangelical Lutheran Church. After an address by Steve Schultz, junior class president, the party traveled to Riverside Park for a stroll in the sunset. (Right): Many seniors found themselves captured in photographs of their infant years.

The program resumed at Nino's for a steak dinner. The decore of the banquer room added much to the atmosphere created by the theme "Those Were The Days."

Four junior boys discuss the future of members of the senior class.

GRADUATION : CLASS OF 1970

Caryn Wehrs, Salutatorian, and Charles Papenfuss, Valedictorian, received graduating honors.

Pastor Schmidt, Principal, and Pastor Boerneke, speaker for graduation exercises, both wished the seniors the best of God's blessings.

The Luther High Band plays an important role in the school's purpose, namely witnessing for Christ. The band does this mainly by marching in several parades in the early months of the school year, especially the Oktoberfest Parade, which is viewed by thousands of spectators. Heidelberg is another high point of the band's career and is also attended by thousands of people.

In the spring the Luther High Concert Band joins several other Lutheran high school bands in the annual Band Festival, a weekend of fun and hard practise.

MASS CHOIR

The Mass Choir is made up of Sophomores, Juniors, and Seniors who join in spreading God's praises through song. Under the direction of Mr. Adickes the Choir sings both sacred and secular numbers in the Christmas and Spring Concerts. The 1970 Christmas Concert featured a collection taken from Handel's Messiah.

The Freshmen Chorus (below) meets in weekly music classes, taught by Mr. Adickes, and also participates in the Christmas Concert.

FRESHMEN CHORUS

The First Choir, selected on the basis of talent and Christian attitude, sings in the Christmas and Spring Concerts, and tours the area congregations in the months of February and March performing sacred concerts. Dear Tammy,
Finally, I can
sit down and
maybe finish
writing.
Now that everything is all
over & we've all graduated and
everything I really realized and
great our days at good "de" Luther really
were. I know we have a whole life ahead
of us yet killed with new people; new experiences
waiting to be experienced. But yet I don't see how it
will ever compare to these last four years of our lives
this year was the same hurry-hurry as before but it seemed
to hurry a bit more than usual. But while it was rushing
past we did manage to have a lot of fun. Like our trip to Michigan
that was really neat! Remember all the cheese & crackers we ate &
all the truck drivers we waved at & pointed at our sign? And
remember we got back just in time for play-rehearsal. That was so
much fun. All the times we waved that I would have been to
the first couple I would have loved to have been to
I don't think I would have loved to have been to
embarrassed to do it in front of people. I've got to have been to
you for playing your part so well. I've got to have been to
middle of it (I'm sure I would have loved to have been to
again! Just think I'll probably never get to sleep together again
with 4 other girls & our teddy bears in the same room like we
at Naomi's. I really like I'm running out of soon so
I guess I'd like to stop reminiscing! Well, Tammy,
hope you'll be able to make use
of your talents as you
splendidly in Luther
shows. I'll
steal all very certain that you will
have many opportunities to
who knows someday
maybe you'll be a
rich & famous

Cheerleaders

The 1970-1971 varsity and junior varsity cheerleaders did a terrific job. With their tireless urging and cheering they boosted our teams to numerous victories in football and basketball. The cheerleaders had many new cheers which made the games enjoyable experiences. Our cheerleaders brought Luther's school spirit back to a peak this year.

Junior varsity: A. Genz, K. Mittlesteadt, V. Zietlow, N. Schmeckpeper, J. Ford.

Pep Club

Pep club was very active this year. Their posters added much in spirit and expectation to the games. The pep club sponsored the poster contest during the homecoming week. They also promoted the mini-homecoming and the color day which went with it. They put on the parent's night and the lunch after the mini-homecoming game. Pep club after not being very active the last few years became active this year. They added color and vitality to our football and basketball games. Marianne Kile and Linda Korthals were pep club's officers this year. Mr. Manthe served as advisor for the pep club, as well as for the cheerleaders.

Football

The "70" gridiron campaign turned out to be very successful as the Knights stormed to a 6-3 record. The gridgers started the season in good style by beating Onalaska Public for the second straight year. The team's next victim was Trempealeau. The next two weeks proved to be rocky as Luther was pounded by both Fox Valley and Alma. The Knights then showed what they were made of by going out and winning the next four games decisively. Missing the services of both Tim Ames and Rick Gates, we lost our last game to Lanesboro. Injuries were a major reason that the team lost three games this year. Statistically, our team's superiority showed. Luther out-scored its opponents 148-136. Our team has 1,184 yards rushing and 727 yards passing. Tim Ames led individual rushers with 411 yards in 87 attempts. Karl Schoenfeld followed with 238 yards on 28 carries. Rick Gates and Paul Seeger completed 43 of 113 passes for 727 yards and 7 touchdowns. Fred Lautz was the leading pass catcher with 17 grabs for 328 yards and 3 touchdowns. On defense, linebacker Steve Berg led the way with 50 tackles.

Rick takes off on one of his patented quarterback keeps.

Two of our stars prepare to do battle.

Varsity

The 1970-1971 varsity basketball team had a disappointing season. The 9-12 season record was not expected, but factors such as inexperience, injuries, and snowstorms played into the final record. The early part of the season was one of ups and downs. We beat Holy Cross, Seneca, and Mar-Mac decisively, but lost to Onalaska Public, MLA, Cresco Notre Dame, Melrose-Mindor, Taylor, and Trempealeau. Through the middle part of the season and the end, this pattern continued. The Knights beat Lansing St. George and Seneca, but lost to Holmen, West Salem, Holy Cross, and Cresco Notre Dame in close games. The team did show signs of a promising future in a revenging defeat over Taylor. The Knights ended the regular season with a loss to Holmen and wins over St. George and Mar-Mac. The hoopsters played great at the tournaments as we stomped Holy Cross in the first game. We then played Champion. We held close for the first quarter, but after that they used their height to overpower us. We are looking forward to next season with optimism, because of the experience gained this year.

Rick Gates led the team with 343 points, while Bob Lenser and Kurt Seeger followed with 265 and 253 points, respectively. Offensively the team averaged 64 points a game and our opponents averaged 61 points a game.

Top: Dave looks for the open man.

Luther High's junior varsity basketball team had little experience, but this did not dampen their spirit. They streaked to a 10-8 record. In five games which the J.V. team lost, they could have won with a little luck and a few more points. The lack of luck and experience made the difference between a great and an ordinary season. Jon Riley paced the J.V. with 253 points for a 13.5 average per game. Dave Wuttke and Monte Huntington followed with 111 points each, while Bryan Bluske and Greg Ziehme had 69 and 63 points, respectively.

The freshman team spun off a 3-6 record in their nine games.

Front Row: D. Havens, Mgr., J. Leisso, B. Benrud, H. Blair, T. Ames, K. Schoenfeld, R. Otto, J. Benrud, R. Gates, M. Selle, Coach. Second Row: T. Germann, F. Lautz, D. Lautz, P. Hauser, C. Papenfuss, D. Pingel, C. Roellich, A. Paukstadt, H. Heyer, P. Albrecht, D. Harter, J. Peterson, D. Schaller, R. Blado.

Track

Track was the most successful sport at Luther High during the 1969-1970 school year. The trackmen had a 7-1 dual meet record. This record included wins over Onalaska and Holy Cross. The team won both the All-Lutheran Invitational at St. Paul and the Martin Luther Invitational at New Ulm. Our thin-clads finished 13th in the WISAA Class C state track meet. Seven new records were set this year.

Harry Blair- 220 yard run. Rick Gates- 440 yard run. Rick Otto- Pole Vault. Jon Benrud- 880 yard run. Karl Schoenfeld- Long Jump. Rick Gates, Karl Schoenfeld, Brian Benrud, Jon Benrud- Mile Relay.

Tennis

Kneeling: S. Pertzsch, B. Korb, S. Olson, M. Paggi. Standing: D. Luetke, Coach; C. O'Connell, P. Seeger, D. Schaller, D. Pieper, B. Lenser.

Lacking experience the tennis team plunged to a 1-6 record. Dave Schaller, number four man, led the way with three wins. Four other members of the team won one apiece. The doubles team of Seeger and Lenser took honors with two victories. The season's highpoint was the win over Winona Cotter. With the whole team returning the approaching season is expected to be the best ever in tennis.

*Remember
freezing at that
tennis match?*

Golf

The golf team led by Kurt Seeger and John Bohlin struggled to a 6-7 record. Steady play was also provided by Rick Kastenschmidt. Among the highlights of the season was the new school record of 175, which was set in a match with Logan's "B" squad. John Bohlin also tied the individual record of 40 in a match with Onalaska's "B" squad. With four members returning the golf team is looking forward to a successful season.

Standing: L. Erbe, Coach; K. Seeger, J. Bohlin, J. Stuber, R. Kastenschmidt, K. Kleinke, J. Riley.

Kneeling: H. Blair, D. Lautz, D. Korb, R. Gates, S. Berg, J. Berg, B. Homstad, D. Niedfeldt. Standing: C. Papenfuss, J. Beitlich, V. Hogden, A. Austin, H. Grams, Coach; C. Heyer, B. Bluske, H. Heyer.

Baseball

The 1970 baseball season had its ups and downs. The team started out with two close losses to LaCrescent and Central. Our diamond men then put together a three game winning streak, which was climaxed by a win over Central's varsity. Our season ended dismally as the Knights lost both ends of a doubleheader to Logan. There were bright spots, however, in otherwise bleak season. One particularly good spot was Curt Heyer's fine pitching. Another was the .444 batting average of Dave Lautz's. In the coming season Luther has a fine nucleus to build its team around.

Tanny.

If I'm not mistaken it looks like I'm one of "privileged" juniors to write in your annual. I say privileged because I'm in the presence of so many great senior writings. It must be a funny feeling to write in annuals for the last time. But now every time I write in a senior's annual I kind feel sad too. I can sincerely say I'll miss you guys, maybe not the whole class, but I'd say a great majority of it. Even at the risk of giving your class a big head I must say there will be very few areas where you won't be missed. Band, orchestra, newspaper. And oh how empty choir is going to be! If you could have heard how lost the remainder of the choir was to that one day the seniors were gone! And what about madrigal - Mr. A is going to have to remake the whole thing. Yea, I suppose we'll carry on next year, as life goes on + such, but it'll be ~~like~~ trying to live without a lot of the fun people of the senior class. Enough sentimentality!

As you go on in life, remember me as the one who helped you so much (??) in context. Where would you have been without me forgetting music when you wanted to practice + being late when it was time to sing or play your marimba (I was going to say xylo xylo, but I couldn't spell it) Remember also every morning in Room 4. You were always talking while we were trying to study. (Or was it the other way around?) We never did appreciate the way you always came in + turned on the lights when we were quite satisfied with the gloom + depression there. I don't know much else to say except good luck in the future in everything you do.

See?

Dear Lanny,

First of all, congratulations on all your music awards. You've deserved them all.

Hasn't it been a wonderful year? I think the thing I loved doing most of all was the play. It was a fabulous experience - acting, working, getting to know (at last!) the kids I'd gone to school with for three years. There will never be anything quite like it again. You were good, but remember how long it took you to get used to acting in love with Steve? You did a very good job of it by curtain time, though - no sly little remark intended. About the only rotten times we've had were in economics. I have never fallen asleep in class in my life, but I've come the closest to it in ec. If it weren't fairly easy, it'd be doomed. Except for that, though, I'm really going to miss Luther and all the people in it.

There's more I could say, but you probably know it all by now, and besides, time is running out. Have fun for the rest of this too-short year, and God bless you throughout your future years. Stay as great as you are!

New Lanny - I'm sorry Steve my presence is so & suppose I shall have to share it with her. What a lovely senior year we had! The play took much of our time for those few months we practiced and practiced etc. But those practices ~~were~~ really ended up in some grand production. That along with Madrigal & Choir tour were the best things for me! All those places we sang - Conna, Maple Grove, even the warehouse - "Welcome to Waterville Road." The orchestra trip to Lake Mills - with Be theads was really a rewarding experience. It really felt good to know we - puny & H.S. - were bringing some joy into the lives of fellow Christians who are in some ways less fortunate than we are. I am so thankful that God has let me - and our music department - give enjoyment & moments of happiness to others. I think one of the things I'll miss most will be the choir tours. You really did a ton of jobs on all your solos - who can count them? - in concerts & in Madrigal. Do you think we'll ever be able to adjust to a band rehearsal without a "dya see?" or "I still hear some blue notes!" from dear J.J.? I for one, although I am one of the dumb ones he always talked about, shall miss that big Sisy Staloni very much. He has been so lucky that he cares enough to keep us moving. It seems as though we have been moving pretty fast lately - those past few years, that is - just yesterday we were little green freshmen, the big-stuff sopho, & sophisticated juniors and now here we are - ready to embark upon a new phase of life - more or less on our own. It's a very comforting thought to know that although we may, in future days & years, be totally without friends that we still have one dear friend to help us in perfectly. I know, I am certain that if we never forget this we will never have to fear. So it's soon - goodbye to a life of security & happiness - hello to who knows what? God bless Jane Marie

SENIOR LIFE

Queen Brenda and Her Court.

Seniors work with their hands.

We started as freshmen, the small, brainless wonders of nineteen sixty-seven. Experience and maturity came with experiences and new ones came every day of the year. A senior enjoys a lofty pedestal far above the ordinary perch of a hero or superstar. To be a senior is to enjoy life; to sit back and enjoy the fruits of hard work; and to breeze along from day to day. Three years are over-the fourth is already becoming a memory. To be seniors we must move forward and look forward to that day when Luther is behind us forever. We are Seniors! As seniors we trace our career at Luther.

Seniors try to make a buck.

Seniors are happy.

*How I ever kept
from laughing that
afternoon I'll never
know!*

INITIATION!

Freshmen don't look forward to it,
but they always look back on it.

After our unforgettable freshman year, we spent our time getting back on our feet and learning how to get the most out of life at Luther.

Sophs can use their feet with or without a wall.

Flowers need a lot of love.

Although we got organized in our sophomore year, we got even more organized in our junior year in preparation for our senior year.

One big big happy family.

Next year we'll be seniors. Can we make it?

NOW WE ARE SENIORS!

Let's make a clean sweep.

I painted it, so it gets my initials.

This is the only way we'll take a back seat to anybody.

If the record sticks, we'll be in trouble.

Oh, you dance divinely!

Do you think we should try cheering and clapping at the same time?

We are seniors as a group and also as individuals. Some of our group have great talents, and that's what school is all about: we are here to make use of and sharpen our talents. No matter how we made use of our previous three years, this one is full as we throw all our energies into our work and play.

Isn't art beautiful?

Here it is, "How to cut hair."

I think this book is flat.

Were we really supposed to decorate the gym?

We've had good times, and we'll probably remember them often. Now, hand in hand, we rush off into the future.

Dear Lanny,

I am writing on this page because it keeps me confined to the purpose for writing and besides I can't write all scribbles and upside down etc.

like some of the other kids. It been a great year, many sorrows, many laughs but most of all many unforgettable memories I enjoyed being in Eng. class with you this year, you provide good competition in even though you know I right.

congratulations on all your achievements. I am very glad for you. Most kids would get jealous or mad when someone accomplishes things.

It shouldn't be that way though because they should remember that the person who is great helps make the school great at the same time and that's very important, besides Lanny I'm not jealous because I sing like a rusty hinge anyway.

I would like to say from the bottom of my heart that I am very proud of you and hope your talents will bring much reward. That goes to prove one point red-heads are good at something & us red hairs have to stick together besides we're relatives. I think you were just wonderful in the play even if you & Steve & I did not make big money practice before the night of the play. Sorry for kidding you so much about it. But it was kind of funny, you had real hard part to play. I enjoyed to agree to disagree with you on many wrongs at Luther.

Lanny,

This is the first year I really got to know you, and I'm glad I did. We had quite a few classes together. English, Religion, Geography, Economics, and phy ed. English was something else, this was the first year I had Mr. Peterson and did he ever surprise me, you're lucky you had an idea what he was like before this year. The only thing that I'll remember in that class is the speech ~~we~~ Lanny gave and our discussion of it. Geography wasn't too bad sometimes. It's a good thing we had. Don thought to keep things moving. Now Economics, I really don't know what that class is about because I was always too bored to listen. We had some pretty interesting discussions in religion. Pastor Schmidt never could stay on ~~to~~ what he was talking about. And last of all phy ed. I'm glad we're just about done with that because I keep on getting out in kick ball.

Well, I hope I'll see you around this summer. Good luck at La Crosse State. I'm sure you'll come out on top in school and everything you do.

A friend,
Luth

DAY BY DAY

SCHOOL

LIFE

Starting the day with God's Word.

Onward to battle assignments!

Cramming for exams.

A typical school day has many facets, especially when that school day happens to be a day at Luther High School. From the minute one enters chapel and sings praises to God, until the school day is ended in His name, one senses an unusual bond which pervades the atmosphere and unites the faculty and student body.

After chapel students and teachers head for classes and to the difficult tasks ahead.

Let's see . . . did he tap his foot once or twice?

But noonhour quickly comes.

Wanted!!

Locker...Paraphenalia

Group Therapy

Soon classes finally resume
with perhaps a chance to
participate in merry music
making . . .

Then the classes end for the day.

But the end of classes seldom means
the end of school life, many school
activities go on after school, such
as football, basketball, orchestra,
and play practice just to name a
few.

THE END OF AN ERA

PASTOR SCHMIDT RESIGNS

Pastor Schmidt was called to start Luther High when the school was little more than a dream. Under his supervision the first small unit was erected in 1957. The school that we know now stands as a tribute to his hard work and administrative ability.

Many scenes,
many activities,
many memories.

Farewell to a friend, scholar,
teacher, pastor, and counselor,
whose absence shall be deeply
felt among the students and
faculty of Luther High School.

Lanny,

Our highschool life is almost overwith. It sure has been fun to know you - and I'll probably be seeing you around next year. We really had a lot of fun together over the last 4 years. With going to music festivals, trips etc, and all, we sure have been kept busy. It seems like only yesterday we were freshmen. We were only in one class this year - Eng. - (I would have to bring that up - huh!) - Remember that heated discussion we had after Dan's speech? That was something else. Just think in a few weeks we'll be done with our fantastic and thrilling bus rides to Luther high. I really think he was out to kill us or he thought he was in a sportscar. The Jr. Class Play was really a lot of fun. Putting the make-up on was a lot of fun, especially when it came to Deb L. and Dan H. I think that play made up for the one we didn't have last year. The Winter Carnival was really fun, naturally since money was involved. Too Bad we couldn't have a spring a fall one also. I'm running out of things to write down, but I'm sure there is something you and I will remember about each other with out having to put it in words.

Good luck in the future, and may the Lord bless you in all you undertake.

Yours forever,

A friend,

Rosalie

Fanny,

It's hard to put all I want to say in words and I can't express myself very well, so all I want to say is this: you've been one of the nicest persons ~~of~~ I have ever known, your cheerful attitude and great personality always made my day a little brighter. These last 4 years have been great and I'm going to miss all the kids in this school. All I can say is that I wish you the best in the future and may God bless you in everything you undertake.

a friend always,

Mark

Fanny,

May 10, '71

As you can see, it is Monday morning after our last spring concert at Luther. It's sad that that and everything else this year is either the last or the last time! Even though, it's all coming to an end I hope so much that the next years bring you much luck and happiness. Just look at all the great things there are:

Al, your beautiful singing voice, Al, next years of school life, Al, etc.

Remember all those typing classes that we attended together. And Phy. Ed. I'll never forget those classes. Something always was happening in phy. Ed. I'd reminisce about the senior girls slumber party, but it was changed to the 21st of May, so I can't say much about that. Now the final Junior-Senior Banquet is only next ~~year~~ weekend. So think that this is just about it. All that's left is the picnic, class trip and then graduation. As you can tell, I left out the nitty-gritty of the semester tests. But, they are the last ones we'll take at Luther! Thanks so much, Fanny, for being such a sweet friend, and I'll never forget how you and the rest of the Sound Foundation came to Chaseburg. I thought that was so neat. I have never been so proud in my entire life. Be good this summer and don't work too hard. I'll never forget you and your sweet smiles. God Bless you eternally.

Love
Pebbie

LANNY -

This has certainly been a year to remember! Remember all the classes we were in together - namely - English, Typing, Geography, Soc. - Ec., etc. If there is anything I will never forget it's bound to be Geography. How could anyone who was in that class forget Ron's incessant chatter, DuWayne's massacre of the English language and Gram's sick jokes! Second place as far as memories go would have to be English class. We covered more subjects there than in almost all the classes put together! I must remark that you disappointed me in one class though - Typing! While I was busily trying to insert the paper, you were typing your second page already. I must say that you are considered by me to be one of the most cheerful people in the world. While I was trudging along in class, and sleeping in class you always managed to say 'Hi'. It's people like you who make life at LHS lineable! I hear you're going to LaCrosse State! Good Luck! If you have the chance write; I hope to be going to DMLE. Take care of that special friend of yours - he's really a nice guy (one of the few left!) May God bless you even more richly in the future as He has now. A Friend Forever - Steve S.

Dear Lanny,

It's even harder to find a place to write in your annual ~~that~~ than it was in Karen's! These past four years have really been filled with some great memories, haven't they? You've been such a great friend to be with, too. Remember all the trips we've been on together. There was the trip to St. Paul our Junior year & also the trip to Washington D.C. Then this year there was that great trip to Saginaw and our orchestra trip. Don't forget all the fun and enjoyable work we put in on the play. You did a great job. Our musical never pulled off, but we still accomplished a lot without it. We did have so much going on this spring. Madrigal will always be the one thing that I know I'll always remember while at Luther. You were always able to add that "little extra" to rehearsals & shows. (I still like "The Windows of the World"). It's memories like these which made the last four years special to me. Good luck, Lanny, in whatever you do in the future and may God's blessings always follow you.

A friend always, to a
great girl,

Dick

Lanny,

First I'd like to say it took me awhile to find a place where I could write. (As you can see, I found a spot.) Well our four years at Luther are almost over, and I'm really sad to see them end. About the only classes we were in are economics, phy. ed., and choir. I thank heavens we made it through economics. (Boy what a class.) It wasn't so bad in there for me because Ron and I always laughed about something. Your table was the more attentive one in that class until we started to laugh and disturb everyone. Then there's phy. ed.; how we ever made it through volleyball, kickball, and softball I'll never know. Anyway we had some good times and bad ones in there. (Like when we had to run laps. Boo) At last there's choir. That has meant the most to me. I really enjoyed being a part of choir and singing for everyone. You were really great in your solos. I was very proud of you. Then last but not least there was your big part in the school play. You really were great. (That didn't sound write) But anyway you did a very good job in playing in it. I hope that if you're ever by my house you'll drop in and visit with me. Good luck in the future years.

A friend always,
Sally
